

Our address:

**Im Mediapark 8a
50670 Köln**

The underground car park can be reached via 2 entrances. These are clearly visible, but here a small support:

There is a public car park in the subway. Here you have to follow the signs in direction "PZ".

Afterwards, the stairs to the large forecourt Mediapark are to be used upwards, preferably using the stairs near the Cologne Tower or House 8. Once you have arrived at the forecourt, building 8a is located to the right of the large Cologne Tower when you have the lake "in your back".

Our office is located in the rear building, i.e. in the direction of the park on the 5th floor, and is also easy to find thanks to several "epilot" signs.
